The service is a "safety net", for those not having functional capability to access the fixed route bus system.</p> <p>The dial-a-ride paratransit service must be scheduled ahead of time from <u>one day to 7 days in advance</u>. Since it is a curb-to-curb service, no assistance is provided to individuals between the van and the door of their starting point or destination. All individuals needing assistance in this area are expected to make arrangements accordingly as Ozark Regional Transit does not provide personal care assistants.</p> <p>To be eligible for paratransit van service, one must complete an application for ADA certification. Eligibility applications are reviewed by an eligibility committee for general approval and considerations for trip requests are approved on a trip by trip basis by the Scheduling office.</p>	<p>Regional            Benton, Carroll, Madison and Washington Counties</p>
